

40th ANNIVERSARY CELEBRATION

EXTRA MILE AWARDS

Senator Mark Miller is serving his third term in the Wisconsin Senate, representing the 16th District in Dane County. He was elected in 2004 and subsequently reelected in 2008 and 2012. This year, Mark announced he will not be running for reelection. We congratulate him but, selfishly, hear this as unfortunate. We cannot take for granted his consistency, hard work and dedication to our communities, which impact our daily lives. Mark serves on the Senate Committee on Elections & Urban Affairs; the Committee on Energy, Consumer Protection & Government Reform; as well as the Committee on Natural Resources.

Mark also served on the Governor's Task Force to Improve Access to Oral Health; the Child Abuse and Neglect Prevention Board; and the Child Welfare Program Enhancement Plan Implementation Team; as well as the Board of Health for Madison and Dane County. Earlier, Mark served in the Wisconsin State Assembly from 1999 to 2005. Senator Miller also initially served on the Dane County Board of Supervisors. He is a leading advocate for healthcare reform — including mental health — authoring legislation to provide high quality healthcare for all Wisconsinites. We also thank him for his commitment to sound environmental policy and conservation.

This is what we want our leaders to do: Be steadfast, with integrity, in looking out for all of us — especially our most vulnerable.

Forever, gratitude, Mark!
